International University of Sarajevo (IUS)
Faculty of Engineering and Natural Sceinces (FENS)
Architecture Program 2nd cycle (Academic)

Semester I						Semester II					
Code	Title	Prereq.	T	P	ECTS*	Code	Title	Prereq.	T	P	ECTS**
ARCH512	Research Methods in Architecture		2	0	6	ARCH510	Conservation and Restoration		2	0	6
ARCH513	Architectural Design Studio VII		1	2	6	ARCH518	Master Thesis**		0	12	24
ARCH514	Understanding Design Behavior		2	0	6						
ARCH515	Advanced Urban Planning		3	0	6						
ARCHxxx*	Program elective course				6						
			Semester Total =		30				Semester Total =		30

*1 Program elective course is taken from the list of available Architecture program elective courses.

* *For the exchange students only: the interpretation of ECTS number per course may be subject to Program Coordinator decision.

Abbreviations: T (Theory), P (Practice)			
Total Credits Required for Graduation	60	**Average Credit Load Per Semester**	30
Total Credits of Electives	6	**Elective Ratio**	10%

*Notes (Master Thesis):

Content: Master thesis consists of a writen thesis with a complete architectural design

1. Times New Roman 12, double spacing. Number of words: 20 000-25 000.

2. Referencing style: APA 7th Edition.

Architecture Program, 2nd cycle (Professional)

Abbreviations: T (Theory), P (Practice)			
Total ECTS Required for Graduation	60	**Average Credit Load Per Semester**	30
Total ECTS of Elective Courses	18	**Elective Ratio**	30%

Notes:

3 Program elective courses are taken from the list of the available Architecture Program elective courses.

*Graduation Project:

Content: Graduation Project contains a complete architectural design

Program elective courses - each 6 ECTS	
ARCH554	Sport Facilities
ARCH555	Healthcare Facilities
ARCH556	Religious Buildings
ARCH557	Industrial Buildings
ARCH558	Educational Facilities
ARCH559	Agricultural Buildings
ARCH560	Advanced Architectural Structures
ARCH561	Transformation in Urban Centers
ARCH562	Urban Anthropology
ARCH563	Construction Technology
ARCH564	Sustainability in Contemporary Architecture and Urban Design Practice
ARCH565	Urban Land Economics and Property Development
ARCH566	Environmental Impact Assessment
ARCH567	Advanced Building Technology
ARCH568	Digital Design Studio
ARCH569	Sustainable Design Studio
ARCH570	Infill Design Studio
